Teenage Girl Is Killed, Four Hurt In Sunday Crash

A Michigan teenage girl was killed and four other Michigan teenagers were injured in a one-car accident on U.S. 40, two and one-half miles west of Mt. Meridian, at 6:55 Sunday morning.

Diane Sands, 15, of Troy, Mich., was dead on arrival at the Putnam County Hospital.

Hospitalized were: Jay Rodney Rader, 17, Detroit, Mich., driver of a 1957 Ford station wagon; fractured upper right arm.

Cherri Buttes, 13, Birmingham, Mich., back injury.

Sandi Mackie, 14, Birmingham, gasoline burns on right leg, contusion of left arm.

Steve Mackie, 13, Birmingham, concussion, fractured jaw, multiple lacerations on face.

State police at the Putnamville Post reported that the youngsters were going west on 40. A little dog in the car started licking the driver's face and he lost control. The station wagon ran off the pavement on the right side, traveled 150 feet on the berm and crashed broadside into a tree.

Steve Mackie was reported in "critical" condition at the hospital Monday morning.

The conditions of the other three teenagers were reported as "good."

John Whitaker, Putnam County Coroner, reported Monday, following an autopsy which was performed Sunday, that the Sands girl died of a broken neck and internal injuries.

Tax Case Jury In Fourth Day

HAMMOND UPI — A federal court jury considering charges that Fred T. Mackey, an alleged figure in Gary gambling rackets, evaded more than \$700,000 in income taxes continued a marathon deliberation today.

The jury, which was handed the case Friday after a 6-week-long trial, were back in the jury room Sunday after a lunch recess and were still there early today.

It was the third night they had deliberated long hours before being locked up in hotel room.

Mackey, whose trial began Dec. 2 in U.S. District Court here, was charged with evading more than \$990,000 in federal income taxes for the years 1956-60.

Most of the trial was taken up with government evidence, the defense resting its case Thursday without calling a witness.

Prepare Defense

NEWARK, N. J. UPI — Attorneys for accused Soviet spies John Butenko and Igor Ivanov will be able to inspect confiscated government evidence in preparing their defense for a trial next month.

U.S. District Judge Robert Shaw ruled Friday the attorneys had the right to see some of the 82 documents taken from Butenko's home following his arrest last October.

Insomnia Champ

FRESNO, Calif. UPI — Jim Thomas, a 20-year-old Fresno State College student, settled into a sound sleep early today as the new champion of forced insomnia.

When he dropped into bed at 12:30 a.m., PST 3:30 a.m., EST he closed his eyes for the first time in 266½ hours or 11 days, 2 hours and 30 minutes.

The old record of 264 hours without sleep was set two weeks ago by Randy Gardner of San Diego.

20 Years Ago

DePauw coeds were selling Fourth War Loan Drive bonds in various downtown stores.

Mrs. C. J. Arnold was visiting in New York.

The minimum temperature was 35 and the maximum was 40 degrees.

High Winds Hit In Many Areas

High winds whipped much of the nation today, reaching gusts of 100 miles an hour in Colorado, fanning forest fires in Arkansas, and dumping heavy snow in the Northwest.

The high winds at Aspen, Colo., forced postponement Sunday of a sky-diving, ski-racing contest between eight parachutists in the windup of the 14th annual Winterskol Festival.

Ninety mile an hour blasts pounded the Oregon coast, toppling trees and knocking down buildings. Slides and high water blocked many major highways.

The gusty winds reached 75 miles an hour in northwestern Washington, shattering downtown windows in Seattle and toppling a 300-foot radio tower on Vashon Island in Puget Sound.

The Weather Bureau said the unseasonal string of thunderstorms, hail storms, heavy rains and high winds from Illinois to Mississippi were caused by warm moist air from the Gulf collided with cooler air moving in from the West.

Heavy snow fell in Washington's Cascade Mountains, making travel difficult in the mountain passes. Unusual lightning seared the sky above the Seattle-Tacoma International Airport.

Mrs. Finley Dies At Co. Hospital

Mrs. Lulu F. Finley, 117 S. Jackson street, passed away at the Putnam County Hospital about noon Monday.

Mrs. Finley is survived by one daughter, Josephine Young at home, and one son, Frank Young of Santa Monica, Calif., and one granddaughter.

Funeral services will be announced later from the new Whitaker Funeral Home at 602 E. Washington Street.

The family requests no flowers. Contributions may be made to the Cancer Fund.

Want New Rules For Advertising

WASHINGTON UPI — The Federal Trade Commission wants stiff new rules enacted for cigarette advertising and labeling to remind smokers of "the substantial health hazard."

The rules were recommended by the FTC because of the findings of the U.S. Public Health Service's report on smoking and health. If approved, the rules would require that this warning be posted on every pack of cigarettes.

COLUMBUS, Ohio UPI — Weary Democrats huddled into the wee hours of the morning today in preparing for a state convention showdown to choose between Sen. Stephen M. Young and astronaut John H. Glenn for the senatorial nomination.

State Chairman William L. Coleman promised Young the convention's endorsement, which Young said he wanted, this afternoon but some party leaders said the delegates were feeling grassroots pressure to support the world-famed astronaut.

Four More Die On State Roads

Four persons were killed in Indiana traffic during the weekend, raising the state toll for the year to at least 42 compared with 53 a year ago.

Michael Firestone, 14, Churubusco, died in a Fort Wayne hospital this morning, a few hours after he was hit by a car in front of his home. The car was driven by Paul Nord, 52, Fort Wayne, police said.

Two car-train accidents and a car careening out of control and ramming a tree accounted for the other deaths.

Settlement Made

WASHINGTON UPI — Magnavox Co., charged with cheating the government of about \$1.4 million through over-pricing, has settled the matter with a payment of \$1.1 million.

Comptroller General Joseph Campbell reported the settlement in a letter to Congress Friday.

Blames Cronin

NEW YORK UPI — Charles O. Finley, who has instructed his attorneys to file suit against the American League for rejecting his request to transfer the Kansas City Athletics to Louisville, today blamed American League President Joseph Cronin for most of his troubles.

WASHINGTON UPI — President Johnson told Congress today that the United States has entered 1964 riding the crest of business expansion. But he said if a tax cut is not enacted promptly, this expansion could turn into recession.

Johnson put business and labor on notice that he will expose to national view any inflationary wage-price increase that might puncture the expansion. He said the business confidence is high and is "one of our strongest economic assets in 1964."

He also revealed that he will ask Congress this year to increase the time-and-one-half rate of overtime pay in carefully selected industries to create more jobs without pushing labor costs upward.

—He will send Congress a special message detailing a \$1 billion program to launch in 1964 the "unconditional war on poverty" that he declared in his Jan. 8 State of the Union message. It will be keyed to helping the poverty-stricken "forgotten fifth" of the nation's population to help itself. And it will "open wide the exits from poverty to the children of the poor" through education, health and other programs.

—Despite economic strides, 5½ per cent of the labor force is still idle, and automation is among continuing threats to the jobs of people who are employed. Thus the 1961-63 advance "though impressive... has not gone far enough and fast enough."

Johnson's first economic report to Congress, a document that must be submitted annually under the Employment Act of 1946, was generally bright in outlook.

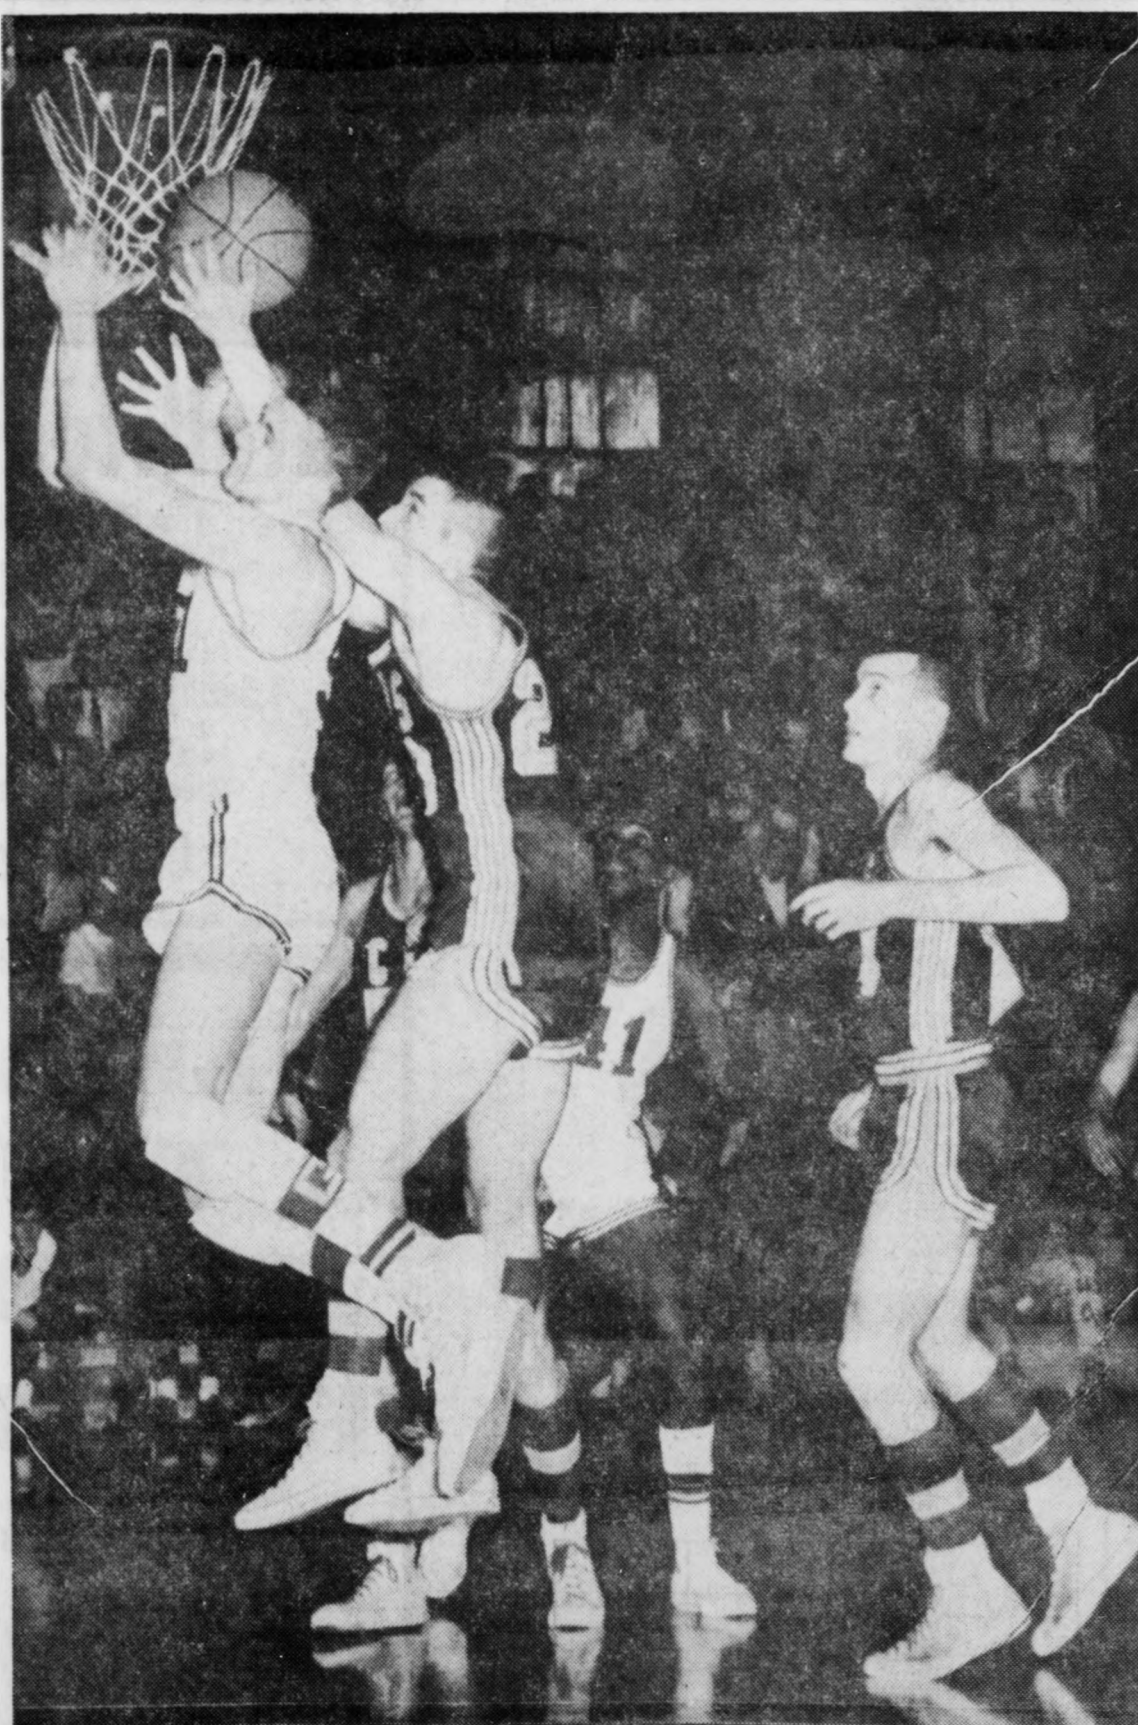

"We enter 1964 with optimism," the President told the House and Senate. "The federal government... faces the economic challenges of 1964 with confidence."

DePauw Falts, Bulldogs Win

The nearly 1,800 fans who thronged Bowman Gymnasium Saturday night witnessed 23 minutes of superb basketball before the DePauw Tigers' shooting eyes failed them, permitting Butler to spurt to an 80-64 victory.

Butler was the oddsmakers' choice to win its fifth consecutive ICC game, but the Bulldogs were on the rope at the half, 42-41, when DePauw hit 18 of 38 shots.

The Bulldogs were hitting 16 of 31 for the same time. The turning point of the game came

DePauw, on the other hand, missed 12 of its first 14 shots, and dropped from a 44-43 lead to a 56-44 deficit. It never recovered against the smoothly functioning Bulldogs.

Butler finished shooting .583 with 35 baskets in 60 attempts. DePauw, with only 10 field goals in the last half in 32 shots, wound up 28 of 70 for .400. Butler rebounded DePauw, 46-30.

Dave Sanders, hitting nine for 14, and Jeff Blue, with seven for 10, were high for Butler. Sanders picked up eight free throws and Blue five for 26 and 19 points, respectively. Blue's rebounds were tops for both teams.

Jim Callane was DePauw's top scorer with 13. Bruce Osborne had 11, only two in the last period.

Butler's freshmen won the preliminary game, 102-76. DePauw remains idle now during its eight-day examination period and over most of the semester break. It won't get back into action until it faces Centre College's potent Colonels here February 1, three days before classes resume.

Tiger Cubs Back In Win Column

Greencastle's Tiger Cubs bounced back from their 67-65 upset at the hands of Schulte Friday to whip invading Crawfordsville, 89 to 72, Saturday night.

Coach Dave McCracken's net tossers now have a 12 won, 2 lost record, with strong Terre Haute Wiley playing here this coming Friday evening.

The Cubs started strong against the visiting Athenians and soon ran the count to 9-0. The rebounding and free throws that spelled defeat in Terre Haute enabled the Cubs to gain a decisive advantage over the visiting team. Whatever Crawfordsville tried the Greencastle Five had an answer and the first quarter ended with the locals leading 26-12.

Continued domination under the basket in the second quarter kept the Cubs at the top of the heap. It was a desperate Athenian team that tried to gain possession of the ball, and in the last 30 seconds of the first half they stepped up the pace in an effort to cut the lead. However, the Cubs were leading 48-30 when the half-time buzzer sounded.

Trying to find the combination to beat the strong Greencastle team proved to be difficult for the visitors. A full court press didn

IGNORANCE

CHICAGO (UPI) — Ignorance of the American public on "simple economic principles is both shocking and frightening," Dean Helen C. Canoyer, Cornell Uni-

versity, reported at a recent meeting of the Association of State Universities and Land-Grant Colleges. Dean Canoyer, chairman of President Johnson's Consumer

Advisory Council, suggested that every American learn elementary economics. She said there also is a crying need for more economic classes in schools.

REDS ROLLIN'

NEW YORK (UPI) — They'll be rollin' out the red carpet this fall — literally. The American Carpet Institute here said the keynote will be

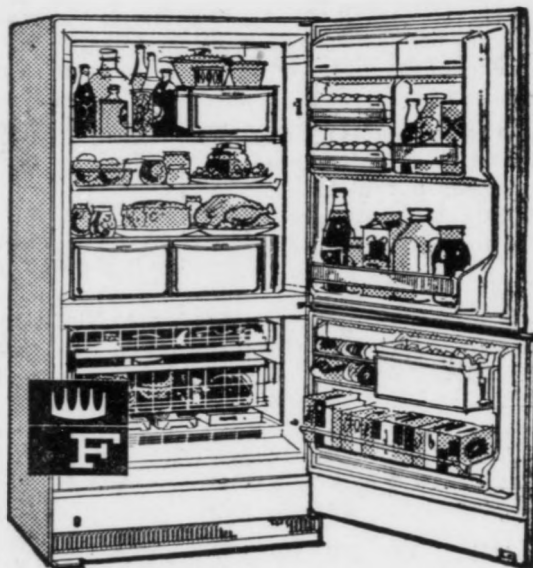

deeper hues such as ruby and raspberry reds — and in some style groups, rich pink.

STILL TEASIN'

NEW YORK (UPI) — The "teasing" comb whose regularly

irregular teeth were the basis of the bouffant, beehive, overteased styles for 1962, will be a prime implement throughout 1963, reports the National Notion Association.
